Welcome to the 27th Dragon*Con!

We are glad you are here. Labor Day is becoming Atlanta's favorite holiday weekend. The people, the memories, and the costumes all come together to make for the most wonderful four days of fun around.

This year we have more space for programming, more fans, and more fun than ever. We have relocated the vendors to the AmericasMart, just one block from the front door of the Hyatt and adjacent to the Westin, allowing us to expand to include even more great opportunities for the shopping experience you love. The Walk of Fame is now located in the Marriott's Marquis Ballroom filled with more celebrity guests than ever. Literary Autographing will be moving to the International Hall South in the Marriott and the Imperial Ballroom and Hilton's Grand Ballroom will be used for programming and events.

Once again we have arranged an outstanding line up of guests and professionals. Please respect the privacy of our guests and stars. They will be available for autographs in the Walk of Fame, or in the autograph area, but not on the convention floor or in hotel restaurants. Some of our stars ask to be photographed only in a controlled environment. Many have photo ops that you can sign up for in advance or at the show. We ask that you not take photos of the guests while they are autographing. Please ask the stars or their agents what their photo policy is and adhere to it. Basically, please allow them to enjoy their Dragon Con experience too!

Speaking of allowing others to enjoy the experience, we have expanded our harassment policy with a more thorough definition of "being a jerk," as well as enhanced the process to report instances should they occur. Be sure to check out the *Program Book* or website for those details.

We will again be doing badge checks to control access and occupancy of the hotels and will be expanding the hours to other high traffic times. This is to insure that there is plenty of space for you members to move about. Please wear your membership badges in plain view whenever you are in convention space or the public areas of the hotels.

We have a new app again this year built for the iPhone, Droid and Blackberry. This will keep you updated with the latest information changes throughout the convention.

All of the information that you are used to finding in our pocket program plus much more will be available on your smart phone.

Thursday night is Dragon Con at the Atlanta Braves game. They are offering special discounted rates on tickets and will be contributing a generous portion of ticket sales to the Dragon Con charities. Please see the Dragon Con website for details.

Saturday night from 7:30 pm–11:00 pm, will be Dragon Con night at the Georgia Aquarium. The aquarium is set up to sell discounted tickets at the Sheraton, outside of Registration.

Because everyone cannot always get into all of the most popular events, we will live broadcast select events from the Centennial Ballroom on Dragon Con TV. We will also be videotaping select events in the Atrium Ballroom for later broadcast on Dragon Con television. Please see the schedule in this *Pocket Program* or the app.

On behalf of our 1800 volunteers, we wish you a wonderful Dragon Con experience. Thanks for making us part of your Labor Day weekend.

Pat Henry
Chairman

Vital Information

IMPORTANT NOTES

Don't Forget Your Badge!

To ensure the safety of all of our attendees, there will be times that the hotels will require you to have your badge in order to enter the hotel. Alternatively, a valid hotel key (to the hotel you are trying to enter) may be used.

Large Room Capacity Policy

All event and program rooms have *limited capacity* as set by the Fire Marshal. Even though your badge is needed to get into all events, it does not guarantee you access to any event if the room has reached its capacity. *Additionally, all large ballrooms will be cleared in between panels.*

Line Formation Policy

Lines for ballroom events will not be allowed to form more than one hour prior to the event, or until the line for the current event has completely entered the ballroom. Each ballroom will have signage marking the location where the line may start to form. Those in line will not be allowed to enter the ballroom until the previous panel has been completely cleared.

Weapons Policy

All weapons must be non-working and peace bound. No functioning projectile weapons, including water pistols, silly-string guns, and ping-pong pistols. Bladed weapons must be cased or sheathed at all times. Please check with Security in Room M102 on the Marquis Level of the Marriott Marquis if you need clarification on this policy, or if you are unsure about the status of your props.

Gaming Guide

We have taken all of the Tournament Gaming information and moved it into its own book! Copies of the Gaming Guide are available at Gaming Registration in the Galleria Ballroom at the Hilton.

DC TV: Live Broadcasts

Dragon Con will again be presenting many of the more popular panels LIVE on DC TV! And because there's just too much to do at once, we will also be presenting many panels on tape delay!

Again this year, DC TV presents *The Dragon Con Late Show*, broadcast LIVE every morning at 9:00 am on DC TV—now with live studio audiences!

The channels for DC*TV are:

Hyatt Regency: 42
Marriott Marquis: 74
Hilton Atlanta: 3/65
Sheraton Atlanta: 72
Westin Peachtree: 49

The full DC TV schedule listed on page 55 of the pull-out section in the middle of the book. So sit back, and watch from the comfort of your room!

All Hotel Bars Closing Early

As per Georgia regulations, all of the hotel bars will be closing on Sunday, September 1, 2013 at 12:00 midnight (Monday morning).

Pre-Recorded & Copyrighted Music Policy

It is the policy of Dragon Con not to allow any pre-recorded music or copyrighted music to be played in the convention areas without written permission from the copyright holder, unless you are the recording artist/band or copyright holder. Violations of this policy will not be tolerated.

Daily Dragon

The *Daily Dragon* will be available each day of the convention at the information booths, registration desk, and in the fan track rooms. The *Daily Dragon* covers schedule changes as well as publishes articles, and party announcements, so be sure to pick one up today! Don't worry if you can't find one, there's an online version that is regularly updated throughout the convention at: dailydragon.dragoncon.org.
